WEATHER & CLIMATE IN BALI

Bali in January

January is typically Bali's wettest month, though rainfall is not usually constant; you can expect hot sunny days with average temperatures of 26°C, but these will likely be interrupted with brief tropical downpours. In the higher regions around Mount Batur, temperatures are cooler and can drop to 15°C at night.

Bali in February

The rainy season continues in February, with hot and humid days punctuated by intense periods of tropical rainfall. The temperatures stay at a consistent 26°C but with rough seas at this time, diving and snorkelling visibility around West Bali National Park are greatly reduced.

Bali in March

March is another month where you can expect a high chance of afternoon rain showers. Days are hot, with temperatures increasing to an average of 27°C, and humidity can feel a little intense – for a respite, this is a great time to head inland to the cooler temperatures in Ubud.

Bali in April

With Bali's wet season coming to an end, the chance of rainfall this month starts to reduce significantly. You'll enjoy mostly sunny days and temperatures will start to climb. With less winds along the coast, water visibility for diving and snorkelling off Bali's east coast is very good.

WEATHER & CLIMATE IN BALI

Bali in May

May is Bali's hottest month, with temperatures averaging a maximum of 29°C. You can expect consistently dry and sunny weather, which makes for excellent diving and mountain climbing conditions. With the island not overly busy at this time, this is a great month to check for best value offers.

Bali in June

One of the best months to visit Bali, June enjoys idyllic conditions with constant sunshine and a wonderfully warm average temperature of 27°C. You're still not quite into the high season this month, so with visitor numbers fairly low you'll enjoy less crowded hotels, beaches and restaurants if you visit now.

Bali in July

July is another dry month, with an average of 4 days of rain and maximum temperatures of 27°C. With European school holidays approaching, July is a popular time of year to visit the island, so beach hotels, particularly in the popular resorts of Sanur and Seminyak, are likely to be busy. Water visibility for diving and snorkelling are excellent this month.

Bali in August

Bali's weather in August follows in similar fashion to July. With an average of 10 hours of sunshine a day, August is the sunniest month of the year – you'll enjoy perfect beach conditions and hot temperatures that average 27°C. The south coast beach resorts are very busy this month, so for relief from the crowds as well as the hot weather, it might be worth heading towards the central region around Ubud.

THE TRAVEL COMPANION
WE TURN JOURNEYS INTO MEMORIES

WEATHER & CLIMATE IN BALI

Bali in September

September is still a predominantly dry month with plenty of sunshine and clear skies, and temperatures that average a hot 27°C. One of the best months to visit Bali, the end of the European summer holidays mean that visitor numbers begin to reduce – the south coast beaches will become less crowded and you'll experience fewer crowds when visiting temples and towns.

Bali in October

October is officially the start of the wet season, so brief bursts of rainfall should be expected this month. Temperatures remain very warm in October, and you'll still enjoy good water visibility around the protected dive spots of Menjangan and West Bali National Park.

Bali in November

With the wet season now in full swing, you can expect an increased level of rainfall in November, particularly towards the end of the month. Sunny days are still frequent, and temperatures remain hot at an average of 27°C. Due to the wetter conditions, mountain climbing and trekking Mount Batur are not recommended this month.

Bali in December

December in Bali has a high chance of rain showers, though you can still enjoy long periods of sunshine and very warm temperatures. With sea conditions worsening and the south coast beaches getting windier, water visibility is greatly reduced. Despite the wet weather, Christmas and New Year remain a popular time of year for visitors, so if you're planning on visiting Bali now it's well worth booking activities in advance.

5.0

AKHIL B IYER:

You have been very kind to us. We might not have gotten off on the right foot. But i think ur smart and sharp because ur aiming at return customers and not just once off booking because the way things are going so far in terms of ur work ethic I love it. Short. Crisp. To the point. Direct. No extra stuff. On the spot solution.

Ishwar Jha:

Have booked two holidays with them. Both of them went quite smooth. Contacted Arun through a common friend and found him to be very knowledgeable and helpful at the same time. He is experienced, well travelled and takes pride in his job. He was quick in providing the quote and prices were better than those available online. On our first holiday to Dubai and the Maldives, we had to make a few changes to our plan – he went back to the drawing board to accommodate them. That's what you call professional service. The second one was a group tour to Thailand. It went like clockwork. We were met at the airport and had a fluent English speaking guide. The choice of hotels, activities and recommendations for Indian restaurants nearby showed their experience.

Kapil Aggarwal:

Fantastic experience with this travel agency! Mr. Arun did an outstanding job in planning and executing our trip to Vietnam and Singapore. His professionalism, knowledge, and friendly demeanor made our trip truly unforgettable. His attention to detail and commitment to customer satisfaction were evident throughout our journey.

Vinit Saini:

They are my go to travel companion 😊 From Jim Corbett to Meghalaya, Kashmir to Singapore, and even Bali — they have planned so many amazing trips for me. Every single time, they have gone above and beyond. Everything's always super well organized, down to the tiniest detail. And honestly, their prices? Hard to beat.

Madhuri Singh:

I always go for top hotels on my holidays. Got a fabulous deal from Arun on my last holiday to Dubai. He also recommended the best things to do and a few lesser known places to dine in while I was there. With years of experience and passion for his work, he made sure we stayed in the best area of Dubai and skipped the usual tourist traps. He took a bit of time to understand our requirements and tailor a quote. However, he came up with the perfect itinerary at a price I couldn't find anywhere online. Aur kya chahiye?

Rahul Garg:

Excellent travel planning done by them. My extended trip to Southeast Asia was perfect. Thanks to travel companion and especially Mr Arun for his superb well planned itinerary. The most important part in every foreign trip is Indian food and accommodation and this was the part best taken care of. Highly recommended.

Mahi Dhillon:

Amazing travel agency with affordable prices. Recommend for family and girly trips.

Kritika Arora:

I had a fantastic experience working with Arun from The Travel Companion. From the very beginning, he was attentive, responsive, and genuinely committed to making my trip smooth and memorable. He took the time to understand what I was looking for and offered thoughtful suggestions that really enhanced my travel plans. Every detail was well-organized — from flights and accommodations to tours and transfers — everything ran like clockwork. I especially appreciated the personal touches and quick responses whenever I had a question. Highly recommend to anyone looking for a stress-free and well-curated travel experience. I'll definitely be booking my next trip through him!
