Enter the embrace of the ancient capital in the early morning and leisurely start a slow day trip to Nara and Arashiyama ✨.

- Nara Park (Free deer crackers 1 serving/group; 2 servings/group for 4~6 people, no refunds if sold out~) is a place to dance with deer 🦌. Stroll along the path, and in front of you are leisurely deer, who will curiously approach the deer crackers in your hand, which are very cute.
- Then go to Fushimi Inari Taisha Shrine ⛩ and walk into the world-famous Senbon Torii. Walking through the red tunnel is like traveling through time and communicating with the gods. Cute white fox-shaped ema are everywhere. You can doodle with creativity and pray for yourself and your family 💌.

Arrive at Arashiyama in the afternoon 🌸🍁. The tranquility of the bamboo forest path makes people slow down their breathing. The wind blows the bamboo leaves, like the light music of nature. The garden of Tenryu-ji Temple blends the beauty of the four seasons with the surrounding ancient temples. Cherry blossoms in spring, red leaves in autumn, and flower lantern festivals in winter each have their own unique charm. The Sagano Scenic Railway 🚂 travels slowly along the mountain fields, which is a great way to enjoy the scenery and take pictures. The foot bath hot spring in Arashiyama Station is paired with a dessert to take a break, instantly dispelling travel fatigue. The colorful columns of Yuzen Light Forest 🌈 allow you to appreciate exquisite kimono patterns during the day, as if you have entered a dream forest.

AKHIL B IYER: ★★★★★

You have been very kind to us. We might not have gotten off on the right foot. But i think ur smart and sharp because ur aiming at return customers and not just once off booking because the way things are going so far in terms of ur work ethic I love it. Short. Crisp. To the point. Direct. No extra stuff. On the spot solution.

Ishwar Jha: ★★★★★

Have booked two holidays with them. Both of them went quite smooth. Contacted Arun through a common friend and found him to be very knowledgeable and helpful at the same time. He is experienced, well travelled and takes pride in his job. He was quick in providing the quote and prices were better than those available online. On our first holiday to Dubai and the Maldives, we had to make a few changes to our plan - he went back to the drawing board to accommodate them. That's what you call professional service. The second one was a group tour to Thailand. It went like clockwork. We were met at the airport and had a fluent English speaking guide. The choice of hotels, activities and recommendations for Indian restaurants nearby showed their experience.

Kapil Aggarwal: ★★★★★

Fantastic experience with this travel agency! Mr. Arun did an outstanding job in planning and executing our trip to Vietnam and Singapore. His professionalism, knowledge, and friendly demeanor made our trip truly unforgettable. His attention to detail and commitment to customer satisfaction were evident throughout our journey.

They are my go to travel companion 🙂 From Jim Corbett to Meghalaya, Kashmir to Singapore, and even Bali — they have planned so many amazing trips for me. Every single time, they have gone above and beyond. Everything's always super well organized, down to the tiniest detail. And honestly, their prices? Hard to beat.

Madhuri Singh: ★★★★★

I always go for top hotels on my holidays. Got a fabulous deal from Arun on my last holiday to Dubai. He also recommended the best things to do and a few lesser known places to dine in while I was there. With years of experience and passion for his work, he made sure we stayed in the best area of Dubai and skipped the usual tourist traps. He took a bit of time to understand our requirements and tailor a quote. However, he came up with the perfect itinerary at a price I couldn't find anywhere online. Aur kya chahiye?

Rahul Garg: ★★★★★

Excellent travel planning done by them. My extended trip to Southeast Asia was perfect. Thanks to travel companion and especially Mr Arun for his superb well planned itinerary. The most important part in every foreign trip is Indian food and accommodation and this was the part best taken care of. Highly recommended.

Mahi Dhillon: ★★★★★

Amazing travel agency with affordable prices. Recommend for family and girly trips.

Excellent Travel Companion! I've been using this app throughout my recent trip, and it made everything so much easier. From flight updates and hotel bookings to local recommendations. It even helped me discover hidden gems at my destination! Highly recommend this app to anyone who loves to travel — it's like having a personal travel assistant in your pocket.

Swati Jayaraman: ★★★★★

Had a superb experience with regards to planning a trip with the travel companion. They made sure that every specification was attended to. Timely execution, regular information, sharing and perfect execution made this a memorable experience. Would definitely recommend.

Kritika Arora: ★★★★★

I had a fantastic experience working with Arun from The Travel Companion. From the very beginning, he was attentive, responsive, and genuinely committed to making my trip smooth and memorable. He took the time to understand what I was looking for and offered thoughtful suggestions that really enhanced my travel plans. Every detail was well-organized — from flights and accommodations to tours and transfers — everything ran like clockwork. I especially appreciated the personal touches and quick responses whenever I had a question. Highly recommend to anyone looking for a stress-free and well-curated travel experience. I'll definitely be booking my next trip through him!
